

America Gives

The largest-ever national service initiative in American history.

As we approach the 250th Anniversary of the United States, we hope to build on America’s legacy of giving back by reinvigorating a year-round culture of service through our latest programming effort: **America Gives**.

America Gives will be a year-round program anchored to the two federally recognized days of service, **September 11** and **MLK Jr. Day** in January, with the goal of 2026 being the **largest-ever year of service** in history.

Rooted in America’s rich history of service and focused on three key pillars:

Charitable Giving

Volunteerism

Public Service including Military Service

America Gives is working with an incredible group of **Founding Partners** to engage Americans from sea to shining sea and invite them to join our service family.
